

Enrolling for Elwood School Based Tele-Health Services

To enroll for and schedule behavioral tele-health services at the Elwood school, please contact our Aspire Access Call Center at **877-574-1254** . Be sure to let the Call Center know you would like to access **Elwood School Tele-Health Services**. Both you and your child will be asked to come to the Elwood Outpatient office at 10731 IN State Road 13 for your initial intake appointment.

At this first appointment you will be provided more information regarding behavioral tele-health services, sign some paperwork, and complete the initial clinical interview. Aspire's Call Center will let you know what else to bring with you to the initial appointment (insurance cards,etc.).

Following your first appointment, further services can be provided via tele-health at your school.
